*Students in Grades 3-8 will be done with the State Testing this week! Thank you to all the parents with your extra effort in getting the students enough rest and to school each day during testing. It is always a great feeling to be completed with these tests.

*If you are curious about what VCS has to offer that makes us different than a public school, contact Mrs. Schlueter...maria.schlueter@k12.sd.us or 605-759-5539.
