Volga Christian School's Mission To enable students to honor God by Integrating Christian faith, learning, and living through a Christ-centered education.

The Biblical Beliefs of Volga Christian School summarized as follows:

That the Bible as the written Word of God is the truth by which the Holy Spirit enlightens and renews our understanding of God, ourselves, our fellowman, and the world, and is the infallible authority by which He directs and governs all our activities, including the education of our children.

That Jesus Christ, our living Lord, who is truly God and fully man, of whom the Scriptures testify, has reconciled the world to God and redeemed our life in its entirety. Through His Holy Spirit, He renews our hearts to love God and our neighbor, and redirects our understanding to know rightly God, ourselves, and the world.

That the purpose of Christian Education is to develop within the child a discerning mind, and to direct and guide his growth in Truth so the he may be better quipped to live the Christian life in God's World.
