

2018-2019 Permission to Publish Student Work and Likeness

The Volga Christian School takes seriously its legal and moral obligation to protect the privacy of its students and their parents in online and print publications.

Student safety and privacy are of the utmost importance. Students will not be named in any photograph published on the Volga Christian School website. I hereby authorize and give full consent to the Volga Christian School to take pictures, or permit a third party to take pictures, of my child and/or their works, and to publish and copyright all photographs in which my child appears while enrolled as a student in any and all programs of the Volga Christian School. I further agree that the Volga Christian School may transfer or use these photographs in school brochures, newsletters, advertising, posters, displays, slide shows, videotapes, catalogs, electronic images, the school's website, and like publications or literature without limitations or reservations. I also agree that the Volga Christian School may publish comments or quotes by my child in any of the above named instances and/or venues.

I agree that the Volga Christian School may transfer or use these photographs and my child's name in the outside media such as newspapers or television without limitations or reservations, and/or on the websites of third parties, as approved by the Volga Christian School. On the websites of third parties authorized by the Volga Christian School to use its students' photographs, no captions will be used to identify any student by name.

It is the responsibility of the person publishing the photo or work to determine if the permission has been obtained. It is also the responsibility of the person publishing student work to remove all information that might identify any student by name.

Additionally, I agree that use by the Volga Christian School of a photograph(s) of, or a quotation(s) by my child does not constitute in any manner a waiver of or amendment to the Volga Christian School policies, programs, enrollment agreement or rules, nor does continued use constitute an agreement to continue the child's enrollment.
